

May 15, 2019

Dear Patients,

We are so thankful for each of you and for your kind words about our office. Word has started to spread about our practice, and we have found ourselves overwhelmed with new patients! We absolutely love a busy schedule, and we are happy to say that we will be expanding our business hours and adding a new provider beginning July 1, 2019.

After a thorough and intentional search, we have chosen another dentist to add to our team. We welcome Dr. Anthony E. Falone, DMD to our practice. Dr. Falone (like Dr. Bliss) is a graduate of Tufts University School of Dental Medicine. He became a dentist after years in medical research where he studied biomedical science and spent time working with families going through difficult treatments. He grew up in Waltham, MA and lives there with his wife, son, and their cats. Dr. Falone loves being at home with his family, cooking Italian food, and watching movies.

We feel Dr. Falone is a genuine and kind person, someone we are happy to work alongside as we continue to care for our patients here in Norwood, and we hope you will say hello if you ever see him around our office.

If you are currently a patient of Dr. Bliss, please know that we will continue to schedule your appointments with Dr. Bliss. If, however, you would prefer Wednesday/Thursday evening appointments or Friday and Saturday appointments, you may request to be seated with Dr. Falone. Each provider's hours are at the bottom of this letter. Dr. Falone will also respond to after-hours emergency calls.

Thank you for being a part of our practice!

Sincerely,

Eva DePue  
Office Manager
